

The AiroBlue® iRock MP3 Player is a stylishly designed MP3 Player, Bluetooth Headset, built-in FM radio, radio / voice / call recorder and a USB flash drive. You can now enjoy skip-free music anytime, anywhere without missing a call.

With the Bluetooth capabilities, the AiroBlue® iRock MP3 Player allows you to listen to your favorite music and you never have to worry about missing a call even if your phone is in your pocket, inside your bag or lying on a table. Now you can dance 10 meters away from your mobile phone and still be able to answer your call. Once your mobile phone rings, the music pauses and your ring tone can be heard through your AiroBlue MP3 Headset and you can see the caller display on the colour LED display of your MP3 Player. Simply press the answer button to answer the call as you complete the call, you are automatically returned to your favorite music.
