

# Wireless Car Charger

## X.Pad Series

15W Wireless Car Charger with Super Capacitor

[www.microdia.com](http://www.microdia.com)

TWENTY-EIGHT  
YEARS OF  
INNOVATION

Founded in  
**1991**  
San Jose, USA

15W Wireless Car Charger with  
**Super Capacitor**  
Available in **Rosso Portofino Red**,  
or **Grigio Silverstone Grey**

## One-hand Operation

Put your phone near to the mount and get it wirelessly charged thanks to the built-in infrared sensor which opens the levers and grip your phone. Gently touch the on-off key on left side to open the levers and retract the phone. It makes GPS, phone call and checking message more convenient and safe.

## Design With Additional Safety

Your device is protected by the lever on the bottom on top of the grips on both sides, to prevent accidental drops.

## Fully Automatic

The most advanced infrared induction tech opens and closes the lever once your phone approaches. Tap at the back and the clips automatically open for easy retraction.

## Smart Chip

Built-in IC chip intelligently detects the current needed, and optimize charging with voltage protection, temperature control, and more advanced safety protection.

## Qi Certified

15W fast Qi car charger holder makes charging 3.5 times faster than standard chargers, which can save you up to 60 minutes for all fast-charge enabled devices.

## Specifications

Input:	12V/1.67A; 9V/2A; 5V/2A
Output (Max):	15W and 7.5W for Apple Devices
Operating temperature:	-10 to 60 degrees
Charging efficiency:	60% to 75%
Charging distance:	0.5-6.0 mm
Dimension:	117.9*74.4*22mm
Package Content:	X.PAD PORTIFINO x 1 Suction Mount x 1 Air Vent Mount x 1 High-Speed USB-C Cable x 1

## Two Installation Options

Air vent mount and suction mount installation, employs a telescopic arm to allow for closer device viewing. You could adjust the holder and enable to hold the phone in a perfect viewing angle while driving.

## Adjustable Viewing

360-degree rotation & support both horizontal or portrait viewing.

## Multiple Use

Not only in cars, this wireless charger could be used in office, home with the suction mount which securely hold the charger on surface.

## Comprehensive Compatability

Samsung Galaxy S10/S10+/S10e, Note10/9, s9/S9+ Note 8, Note 5, S6 Edge+, S7 and S7 Edge; iPhone 11 Pro Max, Pro, 11, XS, XSMax, XR, 8, 8 Plus, iPhone X, Nokia 9, Nexus 5/6 and Other Qi-enabled.

Works together with the GetGEARZ Car Chargers with ON/OFF Switch to enhance power efficiency and energy saving"

# X.Pad URUS

**MICRODIA**  
Possibilities Beyond Imagination™

15W Wireless Car Charger with  
**Super Capacitor**  
Available in **Metallic Nero Helene** with  
**Alcione Silver Rims**

## One-hand Operation

Put your phone near to the mount and get it wirelessly charged thanks to the built-in infrared sensor which opens the levers and grip your phone. Gently touch the on-off key on left side to open the levers and retract the phone. It makes GPS, phone call and checking message more convenient and safe.

## Minimalistic Design

X.PAD URUS is sleek, simple and blends with interior of your vehicle as a delicate accessory.

## Fully Automatic

The most advanced infrared induction tech opens and closes the lever once your phone approaches. Touch the on-off button on the left and the clips automatically open for easy retraction. The wireless charging feature will turn off by pressing the button at the back when you just want to use the charger simply as a car mount.

## Smart Chip

Built-in IC chip intelligently detects the current needed, and optimize charging with voltage protection, temperature control, and more advanced safety protection.

## Qi Certified

15W fast Qi car charger holder makes charging 3.5 times faster than standard chargers, which can save you up to 60 minutes for all fast-charge enabled devices.
