znaptic™ 180

High-Speed Charge & Data Sync
is Easily Done in a Snap

ZNAPTIC 180

Opposed to constant plugging and unplugging of conventional cables, ZNAPTIC 180 not only provides longer life span, but also a simple yet perfect solution to prevent frayed charging cables, tripping over cable resulting in smashed phones, pointless fiddling to plug in cable even in low light conditions.

ZNAPTIC 180 allows you to connect and detach with the device instantly to prevent damage to your device and also enhance water & dust resistance of the charging socket when the detachable connector head is attached.

1. High Speed Charge, Data Transfer and Sync for Apple and Android
2. Easy Plug and Detach with Magnetic Auto-Positioning
3. Water and Dust Resistant
4. Longer Life Span of Cable
5. 180 Degree Reversible Plug
6. LED Indicator Signal Charging Status and Guides Positioning
7. Prevent Abrasion of Charging Port
8. Perfect Cable Length

SPECIFICATIONS:	
Product Name:	ZNAPTIC 180
Interface:	100% compatible with Apple iPhone / iPod, Android devices and all other micro-USB-enabled devices*
Max Speed:	Up to 480Mbit/s
