## X.POWER VOYAGE-15000 (15000mAh)

30W USB-C with Power Delivery (Compatible with Fast Charging)

**Qualcomm**  
Quick Charge 3.0

# X.POWER VOYAGE - 15000mAh

30W USB-C with Power Delivery

(Compatible with Fast Charging)

Made for MacBook Pro/Air 2018, iPad Pro 2018, iPhone XS / XS Max / XR / X

### POWERFUL TO CHARGE

### POWERFUL TO CHARGE

**Airlines  
Safe**

## MASSIVE OUTPUT

USB-C delivers up to 30W of power efficiency that matches charging needs for the latest iPad Pro and Macbook

## HUGE CAPACITY

15000mAh of power capacity charges iPhone XS Max almost 4 times, Samsung Galaxy S9 almost 3 times, iPad at least 1 time from zero to full

## USB-C POWER DELIVERY CHARGING EFFICIENCY

The Bidirectional USB-C Port both supports Fast in and out. USB C with Power Delivery: 30W USB Power Delivery Charges your iPhone XS from 0% to 100% just in 30 minutes. Ultra-Fast Refill with a compatible USB Power Delivery wall charger and USB-C to C cable in just 3 hours

## Universal Charging

2 QC3.0 USB input / output port, and 1 USB-C input / output (Power Delivery) port for the flexibility to meet most charging needs. Charges 3 devices simultaneously with a total 30W of power. Total 2.4A output from dual USB-A ports powers up most legacy devices

## SAME PERFORMANCE, MORE COMPACT

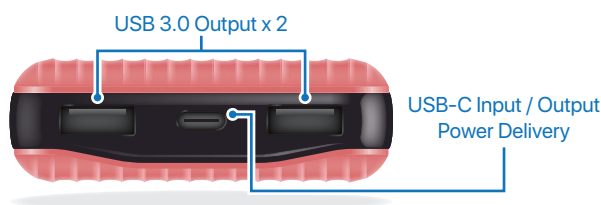

VOYAGE-15000 adopts the highest quality of Polymer Battery. It is half the weight of other power banks yet the same capacity. Perfect for long flights, road trips or just any time you are away from a power source

## THOUGHTFUL DESIGN

Fully rubber oil surface cover to enjoy a good touch feeling and protect your devices from scratches or accidental drops. Smooth, classical design allows you to power up in style

## CERTIFIED SAFE

Our Li-Polymer batteries adhere to the highest safety and quality standards. VOYAGE-15000 is made of ABS fire retardant construction material & built-in high-density lithium polymer unit to ensure voltage surge and overload protections. Effectively prevents your devices from overcharge, over-current and short circuits

### USB-C POWER DELIVERY CHARGING EFFICIENCY

The bidirectional USB-C port supports both Fast IN and Fast OUT. 18W USB Power Delivery charges your iPhone XS from 0% to 50% just in 30 minutes. Ultra-Fast Refill with a USB Power Delivery wall charger and USB-C to USB-C cable in just six hours

### UNIVERSAL CHARGING

The two QC3.0 USB input / output ports, one Micro-USB input port, and one USB-C input / output (Power Delivery) port are made for the flexibility to meet most charging needs. Charges three devices simultaneously with a total of 18W power output. The total of 2.4A output from dual USB-A ports powers up most legacy devices

### SAME PERFORMANCE, MORE COMPACT

VOYAGE-20000 adopts the highest quality of Polymer Battery. It is half the weight of other power banks yet the same capacity. Perfect for long flights, road trips or any time you are away from a power source

### POSSIBLY THE SLIMMIEST

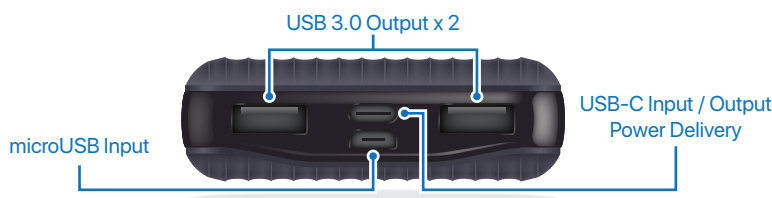

VOYAGE-20000 compressed 20000mAh power capacity into a dimension smaller than a deck of cards. Its ergonomic design makes it comfortable to hold in hands and the matte surface keeps it free of fingerprints and resistant to traces of usages. Built-in minimalist 4 LED power indicators shows remaining battery level at a glance

### THOUGHTFUL DESIGN

Full rubber-oil surface cover offers a good touch feeling and protect your devices from scratches or accidental drops. The smooth, classical design allows you to power up in style

### CERTIFIED SAFE

Our Li-Polymer batteries adhere to the highest safety and quality standards. VOYAGE-20000 is made of ABS fire resistant construction material & built-in high-density lithium polymer unit, to ensure voltage surge and overload protections. Effectively prevents your devices from overcharge, over-current and short circuits

# X.POWER TRAVELER - 10000mAh

Power Bank with Built-in MFi-Certified Lightning Cable and USB-C Cable (Compatible with Fast Charging)

Made for  
iPhone | iPad | iPod

## REFINED DESIGN

Slim-line form makes it comfortable to hold and matte surface keeps it free of fingerprints and grease. The minimalist LED indicators show remaining battery level at a glance

## SMART CHIP

The built-in intelligent chip automatically detects and delivers the optimal current (up to 3A) for your device which results in shorter charging time

## ALL-IN-ONE USER FRIENDLY DESIGN

Traveler-10000 comes with two built-in cables; one MFi-Certified Lightning Cable for charging your Apple devices and one USB-C Cable, for charging the latest devices come with a USB-C charging port. Farewell those days when you need to carry extra cables and eliminate charging cable on your "Things-To-Bring" list for travels and business trips

## POWER EFFICIENCY

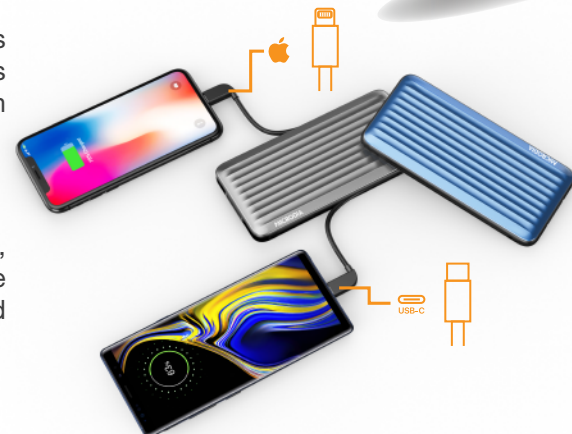

High-current 3A USB-C port Output and 2.4A Input ensures the fastest charge speeds and improved safety features

## COMPACT YET HIGH CAPACITY

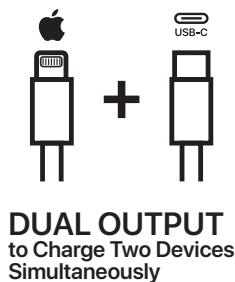

This 10000mah-power bank comes in a size which is 40% slimmer as compared to other power banks with the same capacity on the market. It is light-weight and feels good in your palm, thanks to its ergonomic design specially made for frequent travelers

## SAFETY FIRST

Each power bank from MICRODIA is proofed to support over-charged, over-discharged, over-voltage, over-current and short circuit protection. The built-in smart chip stops charging when the power bank is fully empowered which prolong the lifespan of both the device and power bank
